

# Daily Paper

The Daily Paper 80g copy paper, manufactured by the Navigator Company, is an excellent choice for everyday office use, offering high performance and reliability. Its superior whiteness (146 CIE) and brightness (105%) ensure sharp text and color clarity, while an opacity level of 93% delivers excellent results in double-sided printing. With a thickness of 98  $\mu\text{m}$  and high stiffness, it ensures smooth operation in printers and copiers, reducing the likelihood of paper jams.

The Navigator Company employs an Elemental Chlorine Free (ECF) and acid-free production process, meeting ISO 9706 standards for document permanence. Certified by FSC® and PEFC, this paper comes from sustainably managed forests. The Daily Paper is a smart choice for cost-effective, reliable, and environmentally conscious office solutions.

## Physical Parameters
